<p><b>Principle 1 – Lay solid foundations for management and oversight:</b></p> <p>A listed entity should clearly delineate the respective roles and responsibilities of its board and management and regularly review their performance.</p>		
<p>1.1 A listed entity should have and disclose a board charter setting out:</p> <p>(a) the respective roles and responsibilities of its board and management; and</p> <p>(b) those matters expressly reserved to the board and those delegated to management.</p>	<p>Compliant</p>	<p>The Board of Directors of the Company (<b>Board</b>) have adopted a charter (<b>Board Charter</b>) which governs the operations of the Board and provides a framework for the effective operation of the Board. It sets out the Board's role and responsibilities, composition, structure, and membership requirements, and those responsibilities which the Board has delegated to management.</p> <p>The Board is responsible for the overall operation and stewardship of the Company and, in particular, for the long-term growth and profitability of the Company, the strategies, values, policies, and financial objectives of the Company. The Board is also responsible for overseeing management in the implementation of the Company's policies, strategies, and financial objectives and the instilling of the Company's values.</p> <p>Management will usually be responsible for implementing the strategic objectives and operating within the risk appetite set by the Board and for all other aspects of the day-to-day running of the Company. It is also responsible for providing the Board with accurate, timely, and clear information to enable the Board to perform its responsibilities.</p> <p>The Board reviewed the Board Charter within the reporting period, including with respect to the division of functions between the Board and management to ensure that it continues to be appropriate to the needs of the Company.</p> <p>The Board Charter is available on the Website.</p>
<p>1.2 A listed entity should:</p> <p>(a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and</p>	<p>Compliant</p>	<p>The Board Charter sets out the Company's procedure for the selection, appointment, and re-appointment of Directors. Pursuant to the Remuneration &amp; Nomination Committee Charter (<b>Remuneration &amp; Nomination Committee Charter</b>), it is the role of the Remuneration &amp; Nomination Committee to develop and implement these</p>

<p>(b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.</p>		<p>procedures in the identification and appointment of Directors and senior executives.</p> <p>When considering the appointment of a person as a Director or a senior executive, the Board and Remuneration &amp; Nomination Committee will undertake appropriate checks before appointing the person or putting the person forward to shareholders as a candidate for election as a Director. These checks will usually include the candidate's character, experience, education, criminal record, and bankruptcy history. In the case of candidate for directorship, they will also seek confirmation from the candidate that they will have sufficient time to fulfil their responsibilities as a Director of the Company.</p> <p>Before recommending a candidate for election as a Non-Executive Director, the Board will ask him / her to provide the Board, or the Remuneration &amp; Nomination Committee, with relevant information to enable the Company to provide information to allow shareholders to make an informed decision as to whether to elect or re-elect the candidate. This will include:</p> <ul style="list-style-type: none"> <li>• the Director's biographical details such as relevant qualifications, experience, and skills they bring to the Board; and</li> <li>• details of any other material directorships currently held by the candidate.</li> </ul> <p>In the case of a candidate standing for election for the first time, the information will also include:</p> <ul style="list-style-type: none"> <li>• confirmation that background checks have been conducted and disclosure of any material adverse information found therein;</li> <li>• details of any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect their capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the entity as a whole rather than in the interests of an individual security holder or other party;</li> </ul>

ASX Recommendation	Compliance	Statement
		<ul style="list-style-type: none"> <li>the Board's statement regarding the independence or otherwise of the candidate; and</li> <li>the Board's statement of support for the candidate for election.</li> </ul> <p>In the case of a Director standing for re-election:</p> <ul style="list-style-type: none"> <li>the term of office currently served by the Director;</li> <li>the Board's statement regarding the independence or otherwise of the candidate; and</li> <li>the Board's statement of support for the Director for re-election.</li> </ul>
<p>1.3 A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.</p>	Compliant	<p>The Board Charter provides that the Company will have a written agreement with each Director and senior executive setting out the terms of their appointment. The Company confirms that a written agreement is in place with all current Directors and senior executives. The Company will immediately disclose the material terms of employment of the CEO, any of its Directors, and any person or entity who is related to the CEO or any Director, as well as any material variation to such an agreement.</p>
<p>1.4 The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.</p>	Compliant	<p>The Board Charter sets out the role and responsibilities of the Company Secretary by reference to the Recommendations. It states that the Company Secretary reports to and is accountable to the Board on all matters to do with the proper functioning of the Board and Board Committees.</p> <p>The Company Secretary is appointed and removed by the Board, and each Director is able to communicate directly with the Company Secretary and vice versa.</p>
<p>1.5 A listed entity should:</p> <p>(a) have and disclose a diversity policy;</p> <p>(b) through its board or a committee of the board set</p>	Partially Compliant	<p>The Board has adopted a Diversity Policy (<b>Diversity Policy</b>) which provides for key strategies, initiatives, and measurable objectives with the aim of promoting diversity and inclusivity within the</p>

The Diversity Policy is available on the Website.</p> <p>The Board has created a Diversity and Inclusion Committee which oversees the implementation of those strategies, including by introducing diversity targets and reviewing and executing processes to promote 'equal opportunity for all' practices.</p> <p>Due to the Company's narrowed focus on an Australian business within the reporting period, the Diversity and Inclusion Committee has been restructured from a global to an Australian-focussed group, and its measurable objectives are in the process of being recalibrated accordingly.</p> <p>In FY22 our gender balance was impacted by a reduction in senior leadership across the board with the wind-down of the UK business. The gender balance within the mid-level leader range was also impacted this year following changes in our organisational levelling, which altered the categorisation of several leadership roles. Despite this, we are confident that our pipeline of future female leaders is strengthening.</p> <p>At the end of the reporting period, the respective proportions of men and women on the board are 75% and 25%; of senior executives the proportion is 62.5% and 37.5%; and of the whole company the proportion is 66% and 44%. The Company defines "senior executive" as roles that are accountable and responsible for the entire business – they are required to influence matters across functions.</p>

ASX Recommendation	Compliance	Statement
<p>1.6 A listed entity should:</p> <p>(a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and</p> <p>(b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.</p>	Compliant	<p>The Board Charter provides that the Board will undertake an annual evaluation of the Board, each Board Committee and their respective Chairs and individual Directors, comparing their performance with the requirements of this Charter, relevant Board Committee Charters and the reasonable expectations of such functions, including undertaking a periodic review of whether there is a need for existing Directors to undertake professional development to maintain the skills and knowledge needed to perform their role effectively.</p> <p>Following the performance review, the Chair of the Board, in consultation with the Remuneration &amp; Nomination Committee will establish the goals and objectives of the Board for the upcoming year and effect any amendments to this Charter and any Board Committee Charter considered necessary or desirable.</p> <p>The Company has undertaken a performance evaluation of the Board, its committees and individual directors during the reporting period.</p>
<p>1.7 A listed entity should:</p> <p>(a) have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and</p> <p>(b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.</p>	Compliant	<p>It is the role of the Board to approve criteria for assessing performance of senior executives and monitoring and evaluating their performance. Senior executive performance has been evaluated for each quarter based on the achievement of specific objectives and key results.</p> <p>The Remuneration &amp; Nomination Committee is responsible for reviewing and making recommendations to the Board with respect to:</p> <ul style="list-style-type: none"> <li>the Company's remuneration policy for senior executives to ensure that the Company is able to attract and retain valued employees and motivate senior executives to pursue the long-term growth and success of the Company; and</li> <li>the process for reviewing and assessing the performance of senior executives.</li> </ul> <p>There is a formal performance review process implemented for senior executives. The CEO's performance is measured and assessed by the Board, in accordance with a review framework adopted by the Board (having regard to recommendations made by the Remuneration &amp;</p>

The evaluation aims to assess:</p> <ul style="list-style-type: none"> <li>• The completeness and effectiveness of each senior executive in meeting their KPIs on a quarterly, biannual and annual basis;</li> <li>• Whether the senior executives provide an appropriate mix of skills and experience to allow the company to meet its corporate goals; and</li> <li>• Whether the senior executives provide a safe, secure, productive, harmonious and non-discriminatory environment for their team members to perform at their best.</li> </ul> <p>The Company has conducted a formal performance review in the reporting period in accordance with the above process.</p>

#### Principle 2 - Structure the board to be effective and add value:

The board of a listed entity should be of an appropriate size and collectively have the skills, commitment and knowledge of the entity and the industry in which it operates, to enable it to discharge its duties effectively and to add value.

<p>2.1 The board of a listed entity should:</p> <p>(a) have a nomination committee which:</p> <p>(1) has at least three members, a majority of whom are independent directors; and</p> <p>(2) is chaired by an independent director,</p> <p>and disclose:</p> <p>(3) the charter of the committee;</p> <p>(4) the members of the committee; and</p> <p>(5) as at the end of each reporting period, the number of times the</p>	<p>Partially Compliant</p>	<p>The Board has established the Remuneration &amp; Nomination Committee which, among its functions, considers the appointment and induction of Board members to ensure that the Board is effective and high performing.</p> <p>The Remuneration &amp; Nomination Committee was constituted pursuant to the Remuneration &amp; Nomination Committee Charter (<b>Remuneration &amp; Nomination Committee Charter</b>), which is available on the Website.</p> <p>During the reporting period, the Remuneration &amp; Nomination Committee was initially comprised of Yaniv Meydan, Sibylle Krieger and Kelly Bayer Rosmarin as the Chair. As from 15 January 2022, Kelly Bayer Rosmarin resigned as a director and Sibylle Krieger assumed the role of Chair. Thus the Committee has throughout the reporting period been chaired by an independent Director; until 15 January 2022 had 3 members a majority of which</p>

<p>committee met throughout the period and the individual attendances of the members at those meetings; or</p> <p>(b) if it does not have a nomination committee, disclose that fact and the processes it employs to address board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.</p>		<p>were independent, and for the remainder of the reporting period had 2 members of which 1 is independent.</p> <p>Due to the size of the Company and its narrowed focus on an Australian business, and after considering the range of skills held by the current Board members, the Board has taken the view it is appropriate to continue with only 4 Board members, and also appropriate for the Remuneration and Nomination Committee to continue with only 2 members.</p> <p>The Committee met twice during the reporting period with all 3 members on the Committee on those dates attending.</p>
<p>2.2 A listed entity should have and disclose a board skills matrix setting out the mix of skills that the board currently has or is looking to achieve in its membership.</p>	Compliant	<p>The Board Charter states that it is the role of the Board, with the assistance of the Remuneration &amp; Nomination Committee, to establish and review the Board's skills matrix to ensure all skills needed to address existing and emerging business and governance issues are covered.</p> <p>The Board has reviewed and completed the skills matrix for the reporting period and determined that the current members collectively have the necessary proficiencies, expertise, and diversity to perform their duties and obligations under the Board Charter.</p> <p>A summary of the Board Skills Matrix is available on our Website.</p>
<p>2.3 A listed entity should disclose:</p> <p>(a) the names of the directors considered by the board to be independent directors;</p> <p>(b) if a director has an interest, position or relationship of the type described in Box 2.3 but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position or relationship in question and an explanation of</p>	Compliant	<p>The Company considers that each of Patrick Tuttle and Sibylle Krieger are independent, being free of any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of their judgement.</p> <p>The Company considers David Phillips was an independent director for the majority of the reporting period, but as from 1 June 2022 he commenced a part-time advisory role for the Company to assist with its strategic management in a more pro-active way. As a result, the Board has taken the view that David Phillips should not be</p>

ASX Recommendation	Compliance	Statement
<p>why the board is of that opinion; and</p> <p>(c) the length of service of each director.</p>		<p>considered an independent director while he holds this role. The Board acknowledges the Recommendations indicate that a Director that has been in a material business relationship with the Company in the prior 3 years may not be independent. However, given the proposed short term nature of the arrangement, the Board considers that following conclusion of the advisory arrangement, David Phillips will likely be considered independent. This will be assessed at the relevant time.</p> <p>In reaching the conclusions set out above, the Board considered the guidelines of materiality for the purpose of determining Director independence set out in the Board Charter and Box 2.3 of the Recommendations.</p> <p>The Board Charter provides that the Company will regularly review the independence of each Director in light of interests disclosed and will disclose any change to ASX, as required by the ASX Listing Rules; and review the independence of any Director who has served in that position for more than 10 years to confirm that their independent status can be maintained.</p> <p>The length of service of the Company's Directors are as follows:</p> <ul style="list-style-type: none"> <li>• Patrick Tuttle joined Openpay Pty Ltd (<b>Openpay</b>) in September 2019 and was appointed as a Director of the Company in November 2019.</li> <li>• Sibylle Krieger joined Openpay in September 2019 and was appointed as a Director of the Company in November 2019.</li> <li>• David Phillips joined Openpay in September 2017 and was appointed as a Director of the Company in October 2019.</li> <li>• Yaniv Meydan was co-founder of Openpay, has been a Director since its inception and was appointed as a Director of the Company in October 2019.</li> <li>• Michael Eidel joined Openpay in March 2019 and was appointed as a Director of the Company</li> </ul>

		<p>in October 2019 until his resignation in January 2022.</p> <ul style="list-style-type: none"> <li>• Kelly Bayer Rosmarin joined Openpay in February 2019 and was appointed as a Director of the Company in September 2019 until her resignation in January 2022.</li> </ul>
<p>2.4 A majority of the board of a listed entity should be independent directors.</p>	<p>Partially Compliant</p>	<p>Until January 2022, the Board was comprised of 4 independent Directors out of 6 Directors. Following the resignation of Michael Eidel and Kelly Bayer Rosmarin in January 2022, and until 1 June 2022 the Board was comprised of 3 independent Directors out of 4 Directors, and thus had a majority of independent Directors.</p> <p>Following entry by David Phillips into an advisory role with the Company, with effect from 1 June 2022, to assist with the Company's strategic management in a more pro-active way, the Board has taken the view that David Phillips should not be considered an independent director while he holds this role. Given the proposed short term nature of the arrangement, the Board considers that following conclusion of the advisory arrangement, David Phillips will likely be considered independent. This will be assessed at the relevant time.</p> <p>Yaniv Meydan is not considered independent on the basis of the shareholding in the Company to be retained by entities associated with Yaniv Meydan.</p> <p>As a result, only 50% of the Board should be considered independent during the period from 1 June 2022.</p> <p>Due to the size of the Company and its narrowed focus on an Australian business, and after considering the range of skills held by the current Board members, the Board has taken the view it is appropriate to continue with only 4 Board members.</p> <p>As such, while the majority of the Board is not comprised of independent Directors, the Board believes that each of the independent non-Executive Directors (being Patrick Tuttle and Sibylle Krieger) brings objective and independent judgement to the Board's deliberations and that each of the non-executive Directors makes</p>

ASX Recommendation	Compliance	Statement
		<p>invaluable contributions to the Company through their deep understanding of Openpay's business. Consequently, having considered Openpay's requirements, the Directors are satisfied that the composition of the Board reflects an appropriate range of skills, expertise and experience for the Company.</p>
<p>2.5 The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.</p>	Compliant	<p>The roles of Chairman and Chief Executive Officer are exercised by separate people. Patrick Tuttle is the Independent Chairman. Following Michael Eidel's departure in January 2022, Dion Appel is the Chief Executive Officer. Dion Appel is not also a director.</p>
<p>2.6 A listed entity should have a program for inducting new directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as directors effectively.</p>	Compliant	<p>The Remuneration &amp; Nomination Committee Charter provides that the Remuneration &amp; Nomination Committee is responsible for the induction of Directors and their continued professional development. These processes are yet to be put in place, but will be implemented in accordance with the ASX Governance Principles and Recommendations in advance of any new Director being appointed. No new Director has been appointed since the Company listed on the ASX.</p> <p>The Committee will regularly review and adapt the professional development programs available to Directors to ensure that they have and maintain the appropriate mix of skills and knowledge.</p>
<p><b>Principle 3 – Instil a culture of acting lawfully, ethically and responsibly:</b></p> <p>A listed entity should instil and continually reinforce a culture across the organisation of acting lawfully, ethically and responsibly.</p>		
<p>3.1 A listed entity should articulate and disclose its values.</p>	Compliant	<p>The Company has adopted a Statement of Values (<b>Statement of Values</b>) as follows:</p> <ul style="list-style-type: none"> <li>• We rise together: We show up for each other, act with empathy and care. We seek to learn, we value diverse perspectives and respect our unique differences. The Statement of Values will be developed and reviewed periodically as the Company grows and receives further input from its employees.</p> <p>The Company's current Statement of Values is available on the Openpay website under the 'Careers' section.</p>
<p>3.2 A listed entity should:</p> <p>(a) have and disclose a code of conduct for its directors, senior executives and employees; and</p> <p>(b) ensure that the board or a committee of the board is informed of any material breaches of that code.</p>	Compliant	<p>The Company is committed to instilling and continually reinforcing a culture across the organisation of acting lawfully, ethically and responsibly. The Board has adopted a Code of Conduct (<b>Code of Conduct</b>) which clearly states the standards of conduct expected of Directors and employees of the Company.</p> <p>The Code of Conduct is available on the Website.</p> <p>The Board is informed of any material breaches of the Code of Conduct.</p>

<p>3.3 A listed entity should:</p> <p>(a) have and disclose a whistleblower policy; and</p> <p>(b) ensure that the board or a committee of the board is informed of any material incidents reported under that policy.</p>	Compliant	<p>The Company encourages all its employees to speak up if they see behaviour that does not align with the Company's values. Accordingly, the Board has adopted a Whistleblower Policy (<b>Whistleblower Policy</b>) that provides an environment that allows for the safe reporting of any conduct that is contrary to the Company's policies including its Code of Conduct.</p> <p>The Whistleblower Policy is available on the Website.</p> <p>The Board is informed of any material incidents reported under the Whistleblower Policy.</p>
<p>3.4 A listed entity should:</p> <p>(a) have and disclose an anti-bribery and corruption policy; and</p> <p>(b) ensure that the board or a committee of the board is informed of any material breaches of that policy.</p>	Compliant	<p>The Company has zero tolerance for bribery and corruption and is committed to ensuring its corporate culture actively discourages corrupt conduct in the strongest possible terms. To allow for the participation of any such shareholders, the Company encourages shareholders to forward their questions and comments to the Company Secretary prior to the meeting. Where appropriate, these questions and comments will be read out and answered at the meeting, or, if this is not practicable, the question or comment and written response will be recorded in the transcript of the meeting. <p><b>Principle 7 – Recognise and manage risk:</b></p> <p>A listed entity should establish a sound risk management framework and periodically review the effectiveness of that framework.</p>		
<p>7.1 The board of a listed entity should:</p> <p>(a) have a committee or committees to oversee risk, each of which:</p> <p>(1) has at least three members, a majority of whom are independent directors; and</p> <p>(2) is chaired by an independent director,</p> <p>and disclose:</p> <p>(3) the charter of the committee;</p> <p>(4) the members of the committee; and</p> <p>(5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or</p> <p>(b) if it does not have a risk committee or committees that satisfy (a) above, disclose that fact and the processes it employs for overseeing the entity's risk management framework.</p>	Compliant	<p>The Board has established the Audit &amp; Risk Management Committee to assist the Board in its corporate governance and oversight responsibilities in relation to the Company's financial reports and financial reporting process and internal control structure, risk management systems (financial and non-financial) and the external statutory audit process.</p> <p>The Audit &amp; Risk Management Committee was constituted pursuant to the Audit &amp; Risk Management Committee Charter, which is available on the Website.</p> <p>The Audit &amp; Risk Management Committee is comprised of David Phillips, Patrick Tuttle and Sibylle Krieger as the Chair – thus consisting of a majority of independent Directors and chaired by an independent Director.</p> <p>The Committee met twice during the reporting period with all 3 members attending.</p>
<p>7.2 The board or a committee of the board should:</p> <p>(a) review the entity's risk management framework at least</p>	Compliant	<p>The Company has established governance structures, policies and procedures to identify, assess and manage material risks including emerging risks. The Board has overall responsibility</p>

<p>annually to satisfy itself that it continues to be sound and that the entity is operating with due regard to the risk appetite set by the board; and</p> <p>(b) disclose, in relation to each reporting period, whether such a review has taken place.</p>		<p>for ensuring that the risk management framework is adequate and fit for purpose. The Board has delegated certain responsibilities for these matters to the Audit &amp; Risk Management Committee pursuant to the Audit &amp; Risk Management Committee Charter. The Committee receives periodic updates from management on the status of key risks, reviews key risk management policies and reports to the Board accordingly.</p> <p>In addition, the Board reviews the risk management framework at least annually, and reviewed it within the reporting period. The Board also oversees key risk management related policies. The Board is satisfied that management has developed and implemented a sound system of risk management and internal control.</p>
<p>7.3 A listed entity should disclose:</p> <p>(a) if it has an internal audit function, how the function is structured and what role it performs; or</p> <p>(b) if it does not have an internal audit function, that fact and the processes it employs for evaluating and continually improving the effectiveness of its governance, risk management and internal control processes.</p>	Compliant	<p>The Audit &amp; Risk Management Committee Charter provides that the Audit &amp; Risk Management Committee is responsible for the internal audit function which facilitates the assessment of risks by each business unit and reports to the Committee on the material risks and actions being undertaken by each business unit to mitigate these risks to an acceptable level.</p> <p>The Board considers that an internal audit function is not currently required; however, the Committee still conducts reviews of the business and reports to the Board regarding the Company's internal processes for managing material risks. The Committee is prepared to adopt an internal audit function if they deem it necessary in accordance with the Audit &amp; Risk Management Committee Charter.</p> <p>The Board is satisfied that the processes in place to identify the Company's material business risks are appropriate and that these risks are being effectively managed. The Company's risk management processes continue to be monitored and reported against.</p>
<p>7.4 A listed entity should disclose whether it has any material exposure to environmental or social risks and, if it does, how it</p>	Compliant	<p>It is the role of the Audit &amp; Risk Management Committee to identify, assess and manage material risks that arise in the course of business. manages them via a robust risk management and governance framework, which is overseen by the Audit and Risk Management Committee.

The Company does not have a material exposure to environmental or social risks. It does have an exposure to other types of risk as detailed in the Annual Report Section on Risks & Challenges (pages 28-29).

The Annual Report is available on the Website.

#### Principle 8 – Remunerate fairly and responsibly:

A listed entity should pay director remuneration sufficient to attract and retain high quality directors and design its executive remuneration to attract, retain and motivate high quality senior executives and to align their interests with the creation of value for security holders and with the entity's values and risk appetite.

<p>8.1 The board of a listed entity should:</p> <p>(a) have a remuneration committee which:</p> <p>(1) has at least three members, a majority of whom are independent directors; and</p> <p>(2) is chaired by an independent director,</p> <p>and disclose:</p> <p>(3) the charter of the committee;</p> <p>(4) the members of the committee; and</p> <p>(5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or</p> <p>(b) if it does not have a remuneration committee, disclose that fact and the processes it employs for setting the level and</p>	<p>Partially compliant</p>	<p>The Board has established the Remuneration &amp; Nomination Committee to regularly review and make recommendations to the Board with respect to an appropriate remuneration policy including retirement benefits and termination payments (if any) for senior executives and executive Directors.</p> <p>The Remuneration &amp; Nomination Committee was constituted pursuant to the Remuneration &amp; Nomination Committee Charter – duties and obligations are also stated in that Charter, which is available on the Website.</p> <p>During the reporting period, the Remuneration &amp; Nomination Committee was initially comprised of Yaniv Meydan, Sibylle Krieger and Kelly Bayer Rosmarin as the Chair. As from 15 January 2022, Kelly Bayer Rosmarin resigned as a director and Sibylle Krieger assumed the role of Chair. Thus the Committee has throughout the reporting period been chaired by an independent Director; until 15 January 2022 had 3 members a majority of which were independent, and for the remainder of the reporting period had 2 members of which 1 is independent.</p> <p>Due to the size of the Company and its narrowed focus on an Australian business, and after considering the range of skills held by the current Board members, the Board has taken the view it is appropriate to continue with only 4 Board</p>

<p>8.2 A listed entity should separately disclose its policies and practices regarding the remuneration of non-executive directors and the remuneration of executive directors and other senior executives.</p>	Compliant	<p>The Company's policies and practices regarding the remuneration of non-executive Directors and the remuneration of executive Directors and other senior executives are set out in the Remuneration Policy (<b>Remuneration Policy</b>), which is available on the Website. The Remuneration &amp; Nomination Committee is responsible for its administration.</p> <p>The Committee will make a recommendation to the Board regarding the remuneration of executive Directors and senior management having regard to various factors including performance and any recommendations made by the Managing Director/CEO, senior management, compensation consultants and other advisors. The Committee will also make a recommendation to the Board regarding the remuneration of non-executive Directors having regard to, amongst other things, any recommendations made by compensation consultants and other advisors.</p> <p>Remuneration for executive directors and senior executives may include annual base salary, performance-based remuneration, equity-based remuneration and other benefits. Remuneration for non-executive directors may contain annual fees, equity-based remuneration and other benefits.</p> <p>Details of the current remuneration of Directors and senior executives are provided in the 2022 Annual Report.</p>

<sup>1</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.
